Mr. Jackson had been part of the Marysville staff for twenty years.

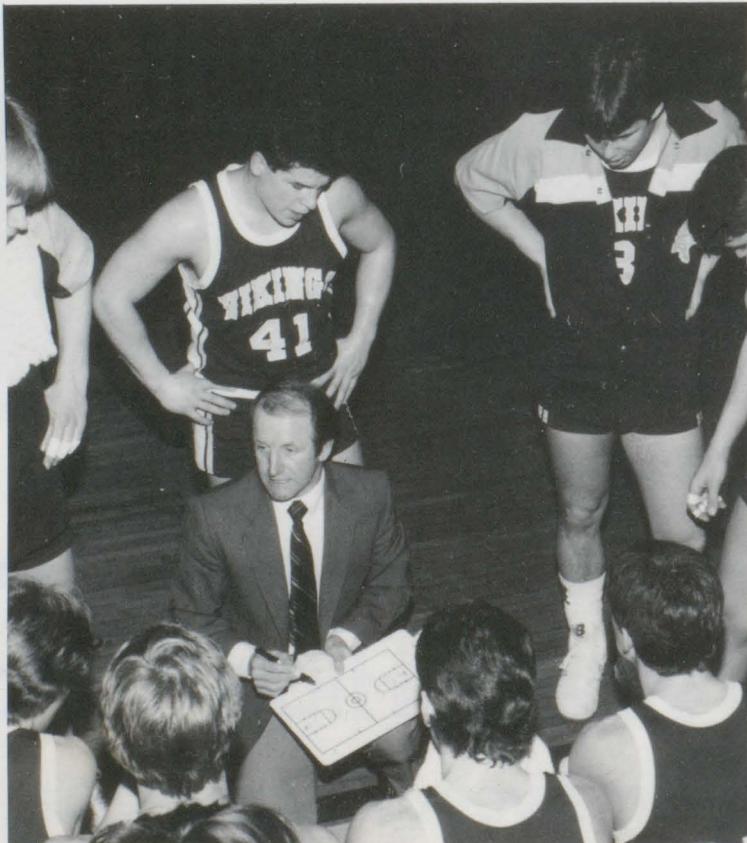

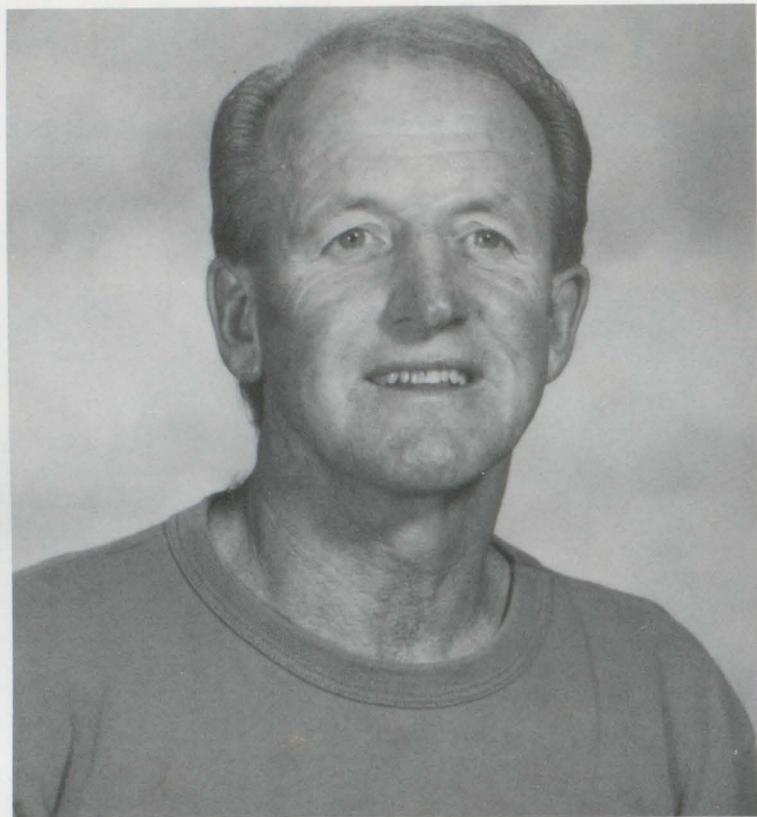

He coached junior varsity football and boys' and girls' varsity basketball throughout the years.

He coached the St. Clair County Community College Womens' Basketball team, too.

He died July 13, 1994 after battling pancreatic cancer.

His presence will be missed by all who knew him.

Mr. Jackson was known for his hard work, honesty, discipline, enthusiasm and courage.

"To laugh often and much, to win the respect of intelligent people and the affection of children, to earn the appreciation of honest critics and endure the betrayal of false friends; to appreciate beauty, to find the best in others, to leave the world a bit better whether by a healthy child, a garden patch, or a redeemed social condition, to know even one life has breathed easier because you lived. This is to have succeeded."

The Class of 95 Sure Has The Drive

The 1994-95 school year was an unforgettable year for Marysville students, especially for the seniors.

The class of '95 won first place in the float competition for the fourth year in a row. "We rocked their worlds," said Jenny Grimley, referring to the underclassmen. "Today, homecoming, tomorrow the Rose Bowl Parade," added Matt Thompson.

The theme chosen for the Homecoming Parade was cereals. So the Senior Steering Committee chose to do "Lucky Charms" with the slogan "Saints are going to need a lucky charm to beat the Vikings." (see pg. 36 for a picture of the float).

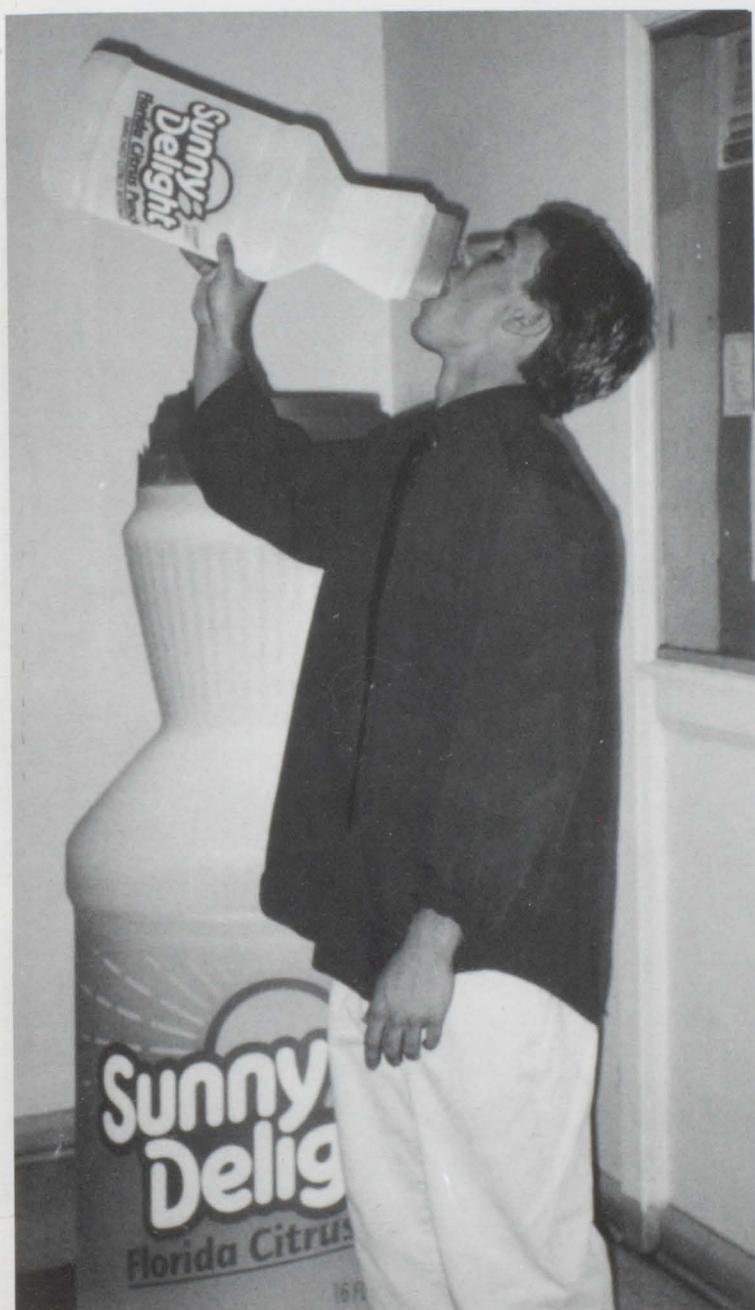

The steering committee organized many successful fundraisers to ensure a beautiful prom night.

The prom was held at Crystal Gardens right here in Marysville. It was an elegant evening, with fun times had by all. "It was nice to see everyone looking their best and having a great time just being together," said Andrea Clyne.

### "If You Leave"

If you leave  
Don't leave now  
Please don't take my heart away  
Promise me just one more night  
Then we'll go our separate ways  
We'll always have  
Time on our sides  
But now it's fading fast  
Every second, every moment  
We've got to, we've gotta make it last

I touch you once, I touch you twice  
I won't let go at any price  
I need you now  
Like I need you then  
You always said we'd still be friends - someday.

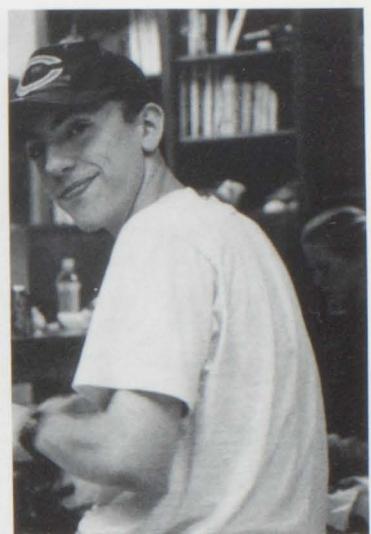

If you leave, I won't cry  
I won't waste one single day  
But if you leave don't look back-  
I'll be running the other way.

Seven years went under the bridge  
Like time was standing still  
Heaven knows what happens now  
You've got to, you've gotta say you will

I touch you once, I touch you twice  
I won't let go at any price  
I need you now like I need you then  
You always said we'd meet again  
I touch you once, I touch you twice  
I won't let go at any price  
I need you now like I need you then  
You always said we'd still be friends  
I touch you once, I touch you twice  
I won't let go at any price  
I need you now like I need you then  
You always said we'd meet again - someday  
ooh....if you leave ooh....If you leave  
ooh....oh if you leave ooh....Don't look  
back ooh....DON'T LOOK BACK! ooh....

## “The Jury Room”

The twelve member cast of “The Jury Room” in their third day of deliberation.

A simple room, with nothing more in it than a table and some chairs, becomes the setting for murder, as twelve jurors gather to decide the fate of a lovely young girl. Did she stab her uncle in cold blood? Eleven jurors say yes. One, a student actress, says no. Act out the testimony, she begs them desperately, and see if it looks true. Finally, impatiently, they agree. Furniture is rearranged, props are brought in, including the real murder weapon. The actress becomes the accused girl. The foreman impersonates the murdered man. There's a part for everyone. Several jurors provide comedy as they try to adjust to being “actors”. Others take the situation seriously. Arguments erupt. Temers flare. The jurors begin to lose themselves in their roles. There's plenty of physical action as the events leading up to the murder and the murder itself are brought to life onstage.

# **“Juniors”**

## **“One Step From the Top”**

The Junior year is sometimes considered a difficult year because a junior no longer is an underclassman but still is not the “top dog”.

This year held many changes and challenges. Now that the end of our high school career is just one year away, we had to start planning for graduation and what's in store for the class of 1996 afterwards.

Of course, the highlight of the year was the Junior Prom.

All that is left is our senior year. We have to work hard so that the next year is rewarding for all of us and that means as individuals and as a class.

# SOPHOMORES

## “2 Down 2 to Go”

During the 1994-95 school year the sophomore class of '97 did many things. There were many students involved in sports, clubs, and various other after school activities. All were enjoyed by many people. As student Brent Moran said, "It was a year filled with many things that I'll never forget."

One of the best things about being a sophomore is the fact that you are no longer a freshman. By the sophomore year, according to Kristi Terry, the best way to have fun is "to meet a lot of people and enjoy your classes."

We have enjoyed this year, and we are beginning to realize that the next two years, our junior and senior years, will go by even faster.
